### Installation Details

#### Requirements;

- Permission from strata, if applicable
- Permission to drill, if applicable
- Within property boundary, not council land
- Safe position (VFX can not install if position requested is considered unsafe)
- Will the sign fit?

Photo diagrams **MUST** be supplied with all signs 6x8 and larger. This information is required to apply for clearance through 'Dial Before You Dig' and also so our installers arrive on site with appropriate material to install depending on location and height of signage.

Please allow up to a 4 working day turnaround to produce and receive clearance from DBYD to install.
