

STORAGE OF BOARDS

From time to time for various reasons, boards may need to be taken down and stored. There are a couple of options for such situations;

Collect & store at VFX

VFX offer a service to store signs on our premises for 4 weeks free of charge.

If we haven't heard back during that time, we will contact you to see if you would like to extend storage at \$16 per week or discard of the board.

Costs that may be incurred;

- \$0 to pick up from the property if this is the first time we have visited to collect
- \$0 for VFX to store for 4 weeks
- \$16 per week to extend storage
- \$53 (for up to 5x8) to reinstall
- \$35 site visit to collect (if 2nd visit to collect)

Collect & store at property

If the vendor has the space and is happy to store, this is the most cost effective option.

Costs that may be incurred;

- \$0 to remove and leave on site
- \$53 (for up to 5x8) to reinstall
- \$35 site visit to collect (if 2nd visit to collect)

Collect & store at another address (ie, McGrath office)

If you require a board to be stored for a long time and the vendor doesn't have the space but you do, this is a good option.

Costs that may be incurred;

- \$0 to pick up from the property if this is the first time we have visited to collect
- \$35 site visit to deliver to alternate address
- \$35 site visit to pick up at later date to reinstall or discard
- \$53 (for up to 5x8) to reinstall
- \$35 site visit to collect (if 2nd visit to collect)
